International Conference on Computer Sciences and Applied Mathematic (ICCSAM 2018). The conference will take place in Parapat North Sumatera, Indonesia, on 10 October 2018. It is hosted by the STIKOM and AMIK Tunas Bangsa Pematangsiantar, North Sumatera, Indonesia is supported by Bank Muamalat, Indonesian Mathematical Society (INDOMS), Ikatan Profesi Komputer dan Informatika Indonesia (IPKIN). As the theme of this year's conference is "Advancing Computability Innovation", this conference aims (1) to bring together the scientists, engineers, researchers and practitioners, academicians, and civil society organization representatives in the scientific forum; (2) to share and to discuss theoretical and practical knowledge about innovation in computer sciences and applied mathematic. Specifically, this conference can be used as a scientific forum for accommodating discussion among young researchers that originated from Indonesia in the field of computer sciences and applied mathematic. Therefore, the invited speakers in this conference are young researchers that are well-known and reputable in the world.

Please make a payment according to the field on link <http://iccsam.org> and proof of payment is sent back to the committee using the link in the instructions.

Welcome to the presentation of his writing at The International Conference on Computer Science and Applied Mathematic.

Date : September 10, 2018 19.20

Thank you.

Greetings all committee.
