Dear Rika Rosnelly,

We inform you that your manuscript "The Similarity of Essay Examination Results using Preprocessing Text Mining with Cosine Similarity and Nazief-Adriani Algorithms" is currently in the peer review process at Turkish Journal of Computer and Mathematics Education (TURCOMAT)

We have received your submission and to consider it for publication. Our team of reviewers will be carefully evaluating the content and research presented in your paper to determine its suitability for our journal.

This process can take several months, depending on the complexity of the paper and the availability of reviewers. We will do our best to keep you updated on the progress of your manuscript and will notify you as soon as.

Thank you for considering Turkish Journal of Computer and Mathematics Education (TURCOMAT) for your research.

With kind regards, Editorial Team

Kepada: rikarosnelly@gmail.com

Dear Rika Rosnelly,

We are writing to inform you that the peer review process for your manuscript, " The Similarity of Essay Examination Results using Preprocessing Text Mining with Cosine Similarity and Nazief-Adriani Algorithms " has been completed.

There were provided a number of suggestions for improvement and further clarification, which are detailed in the attached review report.

We encourage you to consider all of the comments and recommendations made by the reviewers and make any necessary revisions to your manuscript. Once you have made the requested changes, please submit a revised version of your manuscript for further consideration.

Reviewer A:

1. This research should explain the working system of the Cosine Similarity and Nazief-Adriani algorithms
2. Can you provide information regarding the data collection

Reviewer B:

1. What is the value of accuracy after using the Cosine Similarity and Nazief-Adriani algorithms
2. Writing according to the template

Dear Rika Rosnelly,

We to inform you that your manuscript, " The Similarity of Essay Examination Results using Preprocessing Text Mining with Cosine Similarity and Nazief-Adriani Algorithms ", has been accepted for publication in Turkish Journal of Computer and Mathematics Education (TURCOMAT).

You will receive an e-mail in due course regarding the production process.

regards,
Editorial Team
